**An upstanding filly with lots of presence.**

Brown filly with a star and two hind socks. Quiet and friendly this filly demands that you look at her upstanding presence. Shaping up to be a top line galloway

The dam **Marena Raindancer** was a most successful show pony winning in led, ridden and dressage with a child rider. She won Champion Ridden Part-bred at the NSW Aust Pony Stud Book Show. She is one of our most trusted learner’s ponies at present. Good Galloways are so scarce and this one fills the bill. This filly has definite Royal Show potential. As she matures she is displaying all the class of her Royal Show Supreme Champions sire, **Shifting**.
