MARENA ELITE
12.2 hh 1999

Dance Family
RPSB

This is a very beautiful pony mare who was destined for our show team but she had an accident which damaged her shoulder so we decided to put her in foal.

Her mother, Marena Fame was from the Dance Family in her first season and at her only showing at a Royal she won the Novice, Open and Reserve Champion Pony Hack!

Elite's sire is the winner of 34 Supreme Champions in Breed and Open classes.

She would have made a top show pony but now she will be a top broodmare.

This mare served by Marena Sky Chief - Last Date of Service - 20/12/05.
