

LOT 18
Chestnut Mare

MARENA SUN FOLLY
12.3hh 1993

Dance Family
ASP / RPSB

A Very Dark Liver Chestnut with a lovely pony head. A mare that puts everything into her foals.

Folly was only shown, for a short time, with success, as we thought her to be a valuable broodmare for our breeding programme.

She has produced three foals, being Marena Valour - who we think is sire material and two fillies which are being retained by us – and that it speaks for itself.

Sun Folly is a good breeder. Her current foal is being retained and she has been returned to Marena Sky Chief.

One of our most valued mares.

This mare served by Marena Sky Chief - Last Date of Service – 16/11/05

Sire:	Mr Folly of Kirkwood (NZ)	Alladins Legend	Breeding
